For this assignment, the task is to choose an organization in London, Ontario, and create a listicle relevant to their activities. I chose the London Downtown Business Association. My submission includes interactive content, and I have provided the links as a backup in case the videos do not play as expected.

Listicle

Nothing To Lose When You Go Downtown London

London, Ontario is thriving with the London Plan in full effect promoting cohesive ecosystems across districts. This is most evident in Downtown where the mix of historic and modern buildings create a vibrant and diverse cityscape. At the heart are the people who live, work, learn and visit the pulsating environs.

Over 2M tourists visited London in 2023, captivated by the unity of nature and the urban sprawl. While there is a bit for everyone, this listicle, prepared for the London Downtown Business Association, will focus on five epic things to see and do in Downtown London on a walking tour.

The target audience are:

- · Londoners who want to reacquaint themselves with their community
- Tourists
- International Students
- Newcomers

1. MUSEUM LONDON

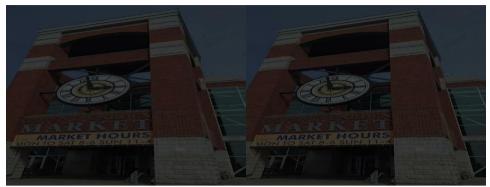

Providing access to over 5,000 artworks year-round, the museum is an art and cultural repository of the stories of Londoners throughout the ages. The museum offers engaging and dynamic programmes for all ages. Connect with this community through in-person visits at 421 Ridout Street North, London, ON N6A 5HA. Further information about services and resources are available on the website: https://museumlondon.ca/
